## FROM THE DESK OF PRINCIPAL

**Dr.C.V.Narasimhulu**, a passionate teacher and an impeccable administrator, has a vast experience of over 25 years in teaching, research, and institutional development. He has published two patents, has been supervising four research scholars of JNTUK, authored a textbook, and published more than 40 papers in refereed international journals and conferences. As the Principal of Lords Institute of Engineering and Technology (LIET), he envisions the importance of engineering education wherein the students learn, apply and develop innovative solutions /products that solve the problems of society.

He believes that LIET disseminates quality education that is affordable to the younger generation and nurture them by providing conceptual knowledge, employability skills along with human values, and positive attitude. The LIET has received many accolades over the past 17 years in academics, placements, and extra-curricular activities. This has become possible only due to continued patronage of the magnanimous management, state-of-the-art infrastructure, untiring efforts of its experienced, qualified faculty & staff members, and worthy contributions of its dedicated students and alumni.

With a holistic perspective, he is determined to take LIET to the higher levels of excellence in engineering education. It is his strong belief that for any brand to sustain, it is essential to have “5Ps”- Placements, Publications, Projects, Patents, and Participative management, which are manifested in this institution. LIET welcomes the budding technocrats who are groomed as responsible citizens on whose shoulders lies the onus of building a bright future for our nation.

**Dr.C.Venkata Narasimhulu**

B.Tech., M.Tech.,Ph.D. SMIEEE, FIETE, LMISTE, MIE

## FROM HOD'S DESK

Welcome to the department of Information Technology at lords Institute of engineering & Technology, Hyderabad. The department is located in a sprawling environment with a state of art facilities and highly qualified faculty. The department works with the objective of addressing critical challenges faced by the Industry, Society and the Academia. Perhaps even more important is our unceasing commitment to our students, helping them to learn, grow, develop, and achieve their goals in their pursuit to excel in their professional career.

IT department rigorously follows Outcome Based Education in their teaching learning process. Use of NPTEL videos for the students actually improve confidence of the students in the respecting subject to understand. Students are provided all the required platform for their overall development in sports, cultural, curricular, technical & regular academics.

It gives me immense pleasure to lead the department of Information Technology. The primary focus of the department is to empower our students with overall development. We, the Team – IT Dept. are working with the following objectives:

- To nurture the students with multi-dimensional skill sets.
- To focus on Outcome Based Education by innovative pedagogy, Industry-Academic interaction and doing live projects etc.
- Each student is focused through a Mentor – Mentee Scheme where students are emphasized for good academics, placements and participation in co-curricular activities.
- The faculty members are encouraged to publish research papers in reputed journals, participate in Faculty Development Program and workshop through a well-supported system.
- The department preserves its achievements and publishes its all activities by bi – annual magazine 'IT FORUM'

**Dr. K. Nagi Reddy**  
PROFESSOR AND HOD

## MESSAGE FROM EDITIORS

Welcome and best wishes to all the viewers who receive this Newsletter. It has been an interesting and busy semester for members of the Department. It gives us great opportunity to present the first issue of "IT FORUM". This internal newsletter is one of the ways in which we can disseminate information on the life of the Department. The past semester was full of various activities by the students and faculty in academic, co-curricular, as well as research & developments. As you read through the pages you will realize, that the department had a particularly successful semester.

We would like to thank all our colleagues for their tireless efforts to help the department progress at a very steady pace.

## VISION OF THE COLLEGE

Lords Institute of Engineering and Technology strives continuously for excellence in professional education through quality, innovation and teamwork and to emerge as a premier institute in the state and across the nation.

## MISSION OF THE COLLEGE

- To impart quality professional education that meets the needs of present and emerging technological world.
- To strive for student achievement and success, preparing them for life, career and leadership.
- To provide a scholarly and vibrant learning environment that enables faculty, staff and students to achieve personal and professional growth.
- To contribute to advancement of knowledge, in both fundamental and applied areas of engineering and technology.
- To forge mutually beneficial relationships with government organizations, industries, society and the alumni.

## VISSION OF THE DEPARTMENT

To be a frontier in Information Technology focusing on quality professional education, innovation and employability.

## MISSION OF THE DEPARTMENT

- **DM1:** Adopt innovative teaching learning processes to achieve stated outcomes and sustained performance levels.
- **DM2:** Provide learner centric environment to enrich knowledge, skills and innovation through industry academia collaborations.
- **DM3:** Train the concerned stakeholders on latest technologies to meet the industry needs.
- **DM4:** Inculcate leadership, professional, interpersonal skills and ethical values to address the contemporary societal issues.

## 1. Guest Lecture on “Network Simulator tools for measuring Network

**Event [Seminar/Guest Lecture/Workshop]: Online Guest Lecture**

**Event Name: Guest Lecture on “Network Simulator tools for measuring Network Performance”**

**Date : 18/05/2021**

**Time : 10:00 AM to 1:30 PM**

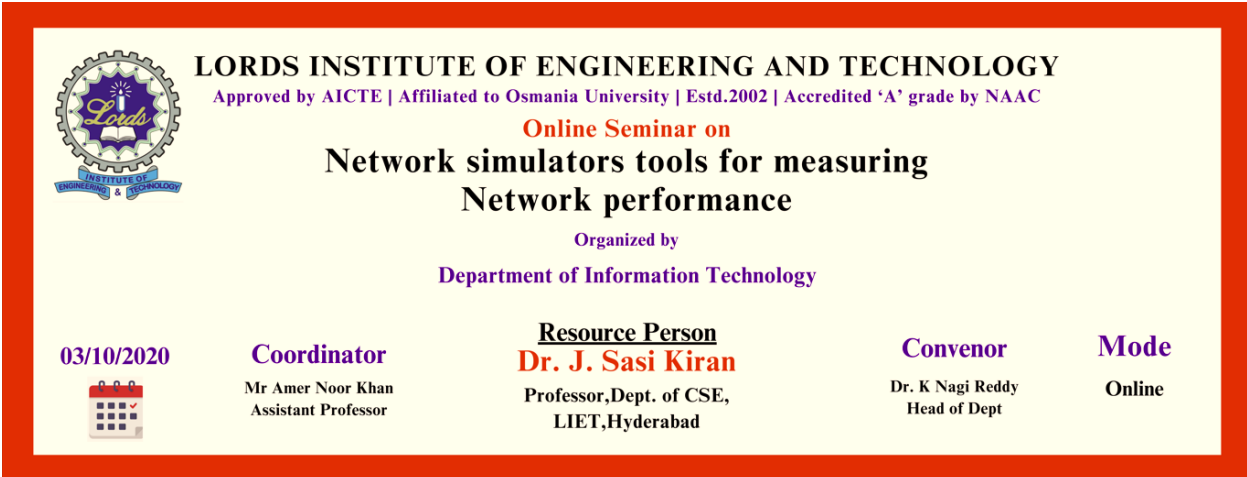

**Venue : Online Zoom Meeting**

**Resource Person: Dr. J. Sasi Kiran**

**Organized by: Department of Information Technology**

An Online Guest Lecture on Network Simulator tools for measuring Network Performance was organized by the Department of Information Technology on 18/05/2021. On total 72 students have participated for the event. The main objective of the Guest Lecture was to provide the importance of Communication and Transmission Media in their academics. The convener of the event Dr. K.Nagi Reddy, HoD-IT welcomed Dr. J Sasi Kiran , Resource Person, all the. The session was taken over by the resource person of the day and it was begun with Importance of the data communication in academics. There was a time given to the participants to raise their doubts, queries and question or any other clarification is required. Very patiently the guest has answered the queries raised by the students which was also appreciated by the participants. The resource person has expressed his satisfaction and happiness for the cause he was invited. At the end of the session, Online feedback from the participants were collected and were analyzed thereafter.

## 2. GUEST LECTURE ON “INTRODUCTION OF NEW MICROPROCESSOR-HCS12”

**Event [Seminar/Guest Lecture/Workshop]: Online Guest Lecture**

**Event Name: Guest Lecture on “Introduction of New Microprocessor-HCS12”**

**Date: 28/04/2021**

**Time: 10:00 AM to 1:30 PM**

**Venue: Online Zoom Meeting**

**Resource Person: Dr. K Shashidhar**

**Organized by: Department of Information Technology**

An Online Guest Lecture on Introduction of New Microprocessor-HCS12 was organized by the Department of Information Technology on 28/04/2021. On total 63 students have participated for the event. The main objective of the Guest Lecture was to provide the importance of Assembly Language in their academics. The convener of the event Dr. K.Nagi Reddy, HoD-IT welcomed Dr. K Shashidhar, Resource Person, all the. The session was taken over by the resource person of the day and it was begun with Importance of the Microprocessor. There was a time given to the participants to raise their doubts, queries and question or any other clarification is required. Very patiently the guest has answered the queries raised by the students which was also appreciated by the participants. The resource person has expressed his satisfaction and happiness for the cause he was invited. At the end of the session, Online feedback from the participants were collected and were analyzed thereafter.

### 3. GUEST LECTURE ON “TIME STAMP BASED PROTOCOLS”

**Event [Seminar/Guest Lecture/Workshop]: Online Guest Lecture**

**Event Name: Guest Lecture on “Time Stamp based Protocols”**

**Date : 20/03/2021**

**Time : 10:00 AM to 1:30 PM**

**Venue : Online Zoom Meeting**

**Resource Person: Dr. Shaik Imam**

**Organized by: Department of Information Technology**

An Online Guest Lecture on Time Stamp based Protocols was organized by the Department of Information Technology on 20/03/2021. On total 64 students have participated for the event. The main objective of the Guest Lecture was to provide the importance of Query Language in their academics.

The convener of the event Dr. K.Nagi Reddy, HoD-IT welcomed Dr. Shaik Imam ,Resource Person, all the. The session was taken over by the resource person of the day and it was begun with Importance of the Database in academics as well as in placements. There was a time given to the participants to raise their doubts, queries and question or any other clarification is required. Very patiently the guest has answered the queries raised by the students which was also appreciated by the participants. The resource person has expressed his satisfaction and happiness for the cause he was invited. At the end of the session, Online feedback from the participants were collected and were analyzed thereafter.

## 4. ONLINE SEMINAR ON “ERROR RECOVERY STRATEGIES IN PARSING”

**Event [Seminar/Guest Lecture/Workshop]: Online Seminar**

**Event Name: Online Seminar on “Error Recovery Strategies in Parsing”**

**Date : 17/04/2021**

**Time : 10:00 AM to 1:30 PM**

**Venue : Online Zoom Meeting Link**

**Resource Person: Dr.Sunil Vijaya Kumar G**

**Organized by: Department of Information Technology**

An Online Seminar on Error Recovery Strategies in Parsing was organized by the Department of Information Technology on 17/04/2021. On total 30 students have participated for the event.

The main objective of the Seminar was to provide the importance of Compiler construction in their academics. The convener of the event Dr. K.Nagi Reddy, HoD-IT greeted all the participants. The convener of the event Dr. K.Nagi Reddy, HoD-IT welcomed Dr. Sunil Vijaya Kumar G, Resource Person, all the participants. The session was taken over by the resource person of the day and it was begun with Importance of the Compiler Construction. There was a time given to the participants to raise their doubts, queries and question or any other clarification is required. ## ***5. PARENTS TEACHER MEETING***

### **Objective of the event:**

The online Parent Teacher Meeting for B.E. 4<sup>th</sup> Semester students was organized on 26/08/2021 in the ECE Seminar Hall to discuss about student's progress and performance with parents. The parents were intimated about the meeting well in advance through telephone by class In-charges and Mentors. The goal was to build a healthy relationship with the students and parents.

### **Interaction with Parents:**

Head of the Department, Class In-charges and Mentors interacted with parents. In this meet the performance and progress of the students in the current and previous semesters are discussed with parents. Parents were informed regarding the importance of CRT Training Program and had been asked to encourage their wards to participate in CRT Training classes in upcoming semester. Also discussed regarding the upcoming II Mid exams which will be conducted during first week of September. In addition to this Parents were intimated about the off-line Laboratory classes which are going to be started soon. The Progress Report of every student of present semester had been sent to parents via WhatsApp. Also discussed with parents about the future plans of department in the upcoming semester and taken the feedbacks from parents.

## 6. INDEPENDENCE DAY CELEBRATIONS

The 75<sup>th</sup> Independence Day was celebrated on 15<sup>th</sup> August 2021 in the college premises. Chairman of the Institution Sri C.A.Basha Mohiuddin sir has presided over the function. Secretary madam Mrs. Rizwana Begum and VC Mr. Syed Touseef Ahmed sir were the guests for the function. All the departmental heads, faculty and students participated in the celebrations.

Management of Lords Institute of Engineering and Technology always keen in honoring, encouraging and motivating faculty and students for their achievements by distributing awards, cash prizes, appreciation certificates etc.

### List of Awards/Prizes won by the students for A.Y. 2020-21

S. No	Roll Number	Name of student	Name of Event	Event Date	Award/ Prizes
1.	160919737001	Abbas Ali Khan	Young Entrepreneur award for Grapfix My Startup. LIET.	15 <sup>th</sup> August 2021	Award
2.	160919737004	Abdul Rahman Bin Salam	Young Entrepreneur award for Grapfix My Startup.LIET.	15 <sup>th</sup> August 2021	Award
3.	160919737052	Mohammed Faizan Hussain	Innovative Projects,LIET,Hyd.	15 <sup>th</sup> August 2021	First Prize

4.	160919737305	Syed Mohtashim Ahmed	Innovative Projects, LIET,Hyderabad.	15th August 2021	First Prize
5.	160919737097	AsfiyaSamreen	Hackinnova 2021 in LIET,Hyderabad.	4th June-6th June 2021	Third Prize
6.	160920737055	Mohammed Abdul Aslam	Weight Lifting,Muaythai State Champion ship 2021,Hyderabad.	5th March – 7th March 2021	Won Silver Medal.
7.	160919737107	Amatun Noor Sadaf	PPT Presentation, GVR&S Institute.	15th September 2020.	2nd Prize.

## 7. FACULTY ACHIEVEMENTS

### 7.1 PATENTS PUBLICATIONS

S.No	Application Number	Name of Faculty	Title of Invention	Date of Publication
1.	202141025072 A	Khutaija Abid, Kaneez Fatima	Building Confidential and Efficient Query Services in the Cloud with RASP Data Perturbation	11/6/2021

### 7.2 PAPER PUBLICATIONS

S No	Title of paper	Name of the Faculty	Name of Journal	ISSN Number	Vol/ Month	Index UGC/ Scopus
1.	Exploration of Convolution Neural Network With Node - Centered Intrusion Detection Structure Plan for Green Cloud	Dr.K.Nagi Reddy	Journal of Green Engineering	1904-4720	November 2020	Scopus
2.	Enabling and securing Multi-Word Search ni privacy preserved HER over Multi-Authority Medical Databases	Dr.K.Nagi Reddy	International Journal of Advanced Scientific Research and Engineering Trends.	2456-0774	November 2020	Other
3.	Utilizing Product Features for fraud detection on E-Commerce Platforms in Big Data Transaction	Dr.K.Nagi Reddy	International Journal of Advanced Scientific Research and Engineering Trends.	2456-0774	November 2020	Other

S No	Title of paper	Name of the Faculty	Name of Journal	ISSN Number	Vol/ Month	Index UGC/ Scopus

## **9. BOARD OF STUDIES MEETING**

The first Board of Studies Meeting of the Department was held on 21-08-2021 at 11:00 AM in Board Room, Lords Institute of Engineering and Technology, Hyderabad. The following members Present in the meeting:

<b>S.No</b>	<b>Name of BoS Member</b>	<b>External/Internal</b>
1.	Dr. K.Nagi Reddy Professor & HOD, Dept. of Information Technology, Lords Institute of Engineering and Technology. Hyderabad	Chairperson, BoS
2.	Dr. P V Sudha Professor and Chairperson, Board of Studies Department of CSE University College of Engineering, Osmania University. Hyderabad.	External Member (OU Nominee)
3.	Dr.A.Nagesh Professor of CSE, MGIT, Hyderabad	External Member (Subject Expert)
4.	Dr. V. Venkata Krishna Professor in IT, Vasavi College of Engineering (A), Hyderabad.	External Member (Subject Expert)
5.	Mr. G.Sravan Kumar Technical Architect ACCELERIZE 3 60, Hyderabad	External Member (Industry Expert)
6.	Mr. S.Rafeuddin Package Solution Consultant, IBM Hyderabad	External Member (Alumni)
7.	Dr.C.Venkata Narasimhulu Principal, LIET	Permanent Invitee
8.	Dr. Mohammed Jabirullah HOD,ECE Dept., LIET	Special Invitee
9.	Dr. J. Sasi Kiran Special Invitee N Professor, CSE Dept., LIET	Internal Member
10.	Dr. R. HafeezBasha Professor, CSE Dept., LIET	Internal Member
11.	Mr. Shaik Imam Saheb Associate Professor, CSE Dept., LIET	Internal Member
12.	Mrs. M.Neelima Associate Professor, IT Dept., LIET	Internal Member
13.	Mr.D.Venkatesh Assistant Professor IT Dept., LIET	Internal Member

Dr. K.Nagi Reddy, HOD - IT & Chairperson-BoS, LIET (A) welcomed all the members of the Board of Studies and other faculty members. On the request of Board of Studies Chairperson, the members introduced themselves. BoS Chairperson presented the salient features, curriculum analysis, and I, II, III & IV year B.E. Course Structure to the members of the BoS. After presenting the UG course structure the Chairperson welcomed suggestions and comments from all the BoS members. The tentative Course structure is finalized after including the suggestions of the members.
